

*This news release contains forward-looking statements, including those regarding our financial results for our second fiscal quarter, improving our margins, cash flow and return on invested capital, the anticipated outlook for our business and our currently expected third quarter fiscal year 2008 net revenue and earnings results and components thereof and our fiscal year 2008 net revenue and earnings results and components thereof. The statements in this news release are based on current expectations, forecasts and assumptions involving risks and uncertainties that could cause actual outcomes and results to differ materially. These risks and uncertainties include, but are not limited to: our determination as we finalize our financial results for our second fiscal quarter fiscal year 2008 that our financial results and conditions differ from our current preliminary unaudited numbers set forth herein; the Securities and Exchange Commission having views different from ours on the results of the review of our past stock option grants conducted by a Special Committee of our Board and Governmental Authorities and the review of our historical recognition of our revenue by our Audit Committee; risks and costs inherent in litigation, including any pending or future litigation relating to our stock option grants, the restatement of our financial statements as a result of the evaluation of our historical stock option practices and revenue recognition and associated financial statements or any declines on the price of our stock; whether our realignment of our capacity will adversely affect our cost structure, ability to service customers and labor relations; our ability to successfully address the challenges associated with integrating our acquisition of Green Point; our ability to take advantage of perceived benefits of offering customers vertically integrated services; changes in technology; competition; anticipated growth for us and our industry that may not occur; managing rapid growth; managing any rapid declines in customer demand that may occur; our ability to successfully consummate acquisitions; managing the integration of businesses we acquire; risks associated with international sales and operations; retaining key personnel; our dependence on a limited number of large customers; business and competitive factors generally affecting the electronic manufacturing services industry, our customers and our business; other factors that we may not have currently identified or quantified; and other risks, relevant factors and uncertainties identified in our Annual Report on Form 10-K for the fiscal year ended August 31, 2007, subsequent Reports on Form 10-Q and Form 8-K and our other securities filings. Jabil disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
