

FORWARD LOOKING STATEMENT: *This news release contains forward-looking statements, including those regarding our anticipated financial results for our first quarter of fiscal year 2015; the positioning of Jabil to capture transformative technologies that we believe are on the horizon; our expectation that we will continue to expand in key areas through thoughtful investment across our business; our currently expected fiscal year 2015 revenues and core earnings per share; and our currently expected second quarter of fiscal year 2015 net revenue (including that of our segments), core and GAAP operating income, core and GAAP diluted earnings per share results and the components thereof. The statements in this news release are based on current expectations, forecasts and assumptions involving risks and uncertainties that could cause actual outcomes and results to differ materially. These risks and uncertainties include, but are not limited to: our determination as we finalize our financial results for our first quarter of fiscal year 2015 that our financial results and conditions differ from our current preliminary unaudited numbers set forth herein; fluctuations in our stock's market price; fluctuations in operating results and cash flows; unexpected, adverse seasonal impacts on demand; changes in macroeconomic conditions, both in the U.S. and internationally; the occurrence of, success and expected financial results from, product ramps; our financial performance during and after the current economic conditions; our ability to maintain and improve costs, quality and delivery for our customers; risks and costs inherent in litigation; whether our realignment of our capacity will adversely affect our cost structure, ability to service customers and labor relations; our ability to take advantage of perceived benefits of offering customers vertically integrated services; changes in technology; competition; anticipated growth for us and our industry that may not occur; managing rapid growth; managing rapid declines in customer demand and other related customer challenges that may occur; our ability to successfully consummate acquisitions and divestitures; managing the integration of businesses we acquire; risks associated with international sales and operations; retaining key personnel; our dependence on a limited number of large customers; business and competitive factors generally affecting the electronic manufacturing services industry, our customers and our business; other factors that we may not have currently identified or quantified; and other risks, relevant factors and uncertainties identified in our Annual Report on Form 10-K for the fiscal year ended August 31, 2014, subsequent Reports on Forms 10-Q and 8-K and our other securities filings. Jabil disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
